Beautifully pure and textured, with a complex aromatic array of citrus blossom, white nectarine and jasmine, with herbal undertones and hints of salty ocean air. The classic Bordeaux composition of 62% Sauvignon Blanc and 38% Semillon allows for the Sauvignon Blanc's aromatic profile to be paired with the Semillon's textural weight and density. Made with 100% whole cluster pressed fruit and aged in smaller new French oak barrels, the firm acidity and long finish are indicators of extremely long cellaring potential.
